Here's an update on what's new at [Smoking Flicks](#) – the smoking fetish movie streaming and download site.

We've just added two original titles, now out-of-print, from Random Snaps: Volumes 9 and 10. These are not from the Smoke Signals library of RS material; they're the original top-notch videos released many years ago, now off the market.

We have two strong smoky masturbations sessions, with Angel and Jordan:

There are three titles from the CoherentLight library recently added to the roster, for download or streaming: dark-side iconic videos "More Pain" and "Drew's Wimp," as well as "More of Holly" from CoLight's glamour side:
