New Smoking Fetish Movies added at [Smoking Flicks](#)

We've added three videos to start September at [Smoking Flicks](#) – the smoking fetish movie streaming and download site. The first two additions are all-new videos with Havoc and Brooke. The footage was originally shot by Visualsmoke; some has never been seen and some was seen briefly in their members' area. But we've cleaned up and sharpened the video, edited it and released these new titles, which feature terrific smoking:

We also have a great smoking oral sex video from Naomi.

Come check them out at [Smoking Flicks](#)
