New Smoking Fetish Movies added at [Smoking Flicks](#)

We've just added three classic videos from CoherentLight at [Smoking Flicks](#) – the smoking fetish movie streaming and download site. They are all from the mid-1990s, and while the video quality isn't digital – the smoking quality and content is first-rate: Beth's Interview, Domme's Toy, and TV is for Sissies.

Come check them out at [Smoking Flicks](#)
