

New Smoking Fetish Movies added at [Smoking Flicks](#)

We've added three classic CoherentLight videos this week at [Smoking Flicks](#) – the smoking fetish movie streaming and download site. They are Slim 120s (with Amiko, Selena and Jade), Callie's 164s, and Mind if I Bi – glamour, to dark side, to the incredible 164s, all with top-notch smoking from the glory days of CoLight.
