12/22: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the Smoking Fetish Megasite, we've got more than 1144 new photos and 19 minutes of new video. We have six new photo shoots featuring Sara P.. The best are as a schoolgirl with an edge and in a bar, buying cigarettes from a machine as she smokes hands-free; we're treated to terrific mouth and nose exhales, snaps, smoke rings, french inhales and dangles. We also have Claire F., who again shows that nose exhales are as natural to her as breathing.

The video galleries feature sexy lingerie and nude smoking from sophisticated Susan, with nice mouth and nose exhales.
