

1/24: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the Smoking Fetish Megasite, we've got nearly 500 new photos and 17 minutes of new video. In the photo galleries, Elizabeth N. is red-hot in a black bra, short skirt and black gloves, smoking a VS 120 with nice style and a sultry look. Melissa N., also in black, joins her and shares one cigarette; she then strips down to her bra and the two models share a second. There are nice cone exhales, a few nose exhales and smoke rings, and slight snaps. We also have adorable new model Laura who smokes Marlboro 100s in casual shoots, with thick mouth and nose exhales and a couple of snap inhales.

In the video galleries, Sissy is in a hot black negligee, cut out to show her boobs – and she makes good use of it, first playing with her nipples as she smokes with deep inhales and cone exhales, then reaching underneath to pull it up for some smoky masturbation.
