2/10: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the Smoking Fetish Megasite, we've got nearly 800 new photos and 15 minutes of new video. In the photo galleries, we have our first shoots from Skye, which primarily feature a goth look. Skye shows lots of thick cones, mouth/nose and nose exhales, open-mouth and snap inhales plus smoke play.

We also have more with Laura-Jayne who starts in corset and thigh-high leather boots – then slowly takes off the boots, then the corset so that she's just in lingerie – showing deep drags, slow mouth and nose exhales, and dangles with double drags as well.

In the video galleries, Justina is joined by gal-pal Lindsay in bra and panties, for a session that starts with smoky kisses, then moves on to titty-licking and smoking, and finishes with some teasing (with a vibrator) and smoking. Both girls show strong smoking style throughout.
