3/10: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the Smoking Fetish Megasite, we've got more than 600 new photos and 23 minutes of new video. In the photo galleries, Tash W. starts out with a faux glamour shoot, showing off her great ball snaps, french inhales, mouth and nose exhales, double drags and cute look;

she then smokes small cigars in two shoots. And if you've ever dreamed of a redheaded smoking pinup girl, Magdalena is your girl.

In the video galleries, even though we've substantially upgraded our R/X videographers, we've still gotten a ton of requests for any material we might have left over with gorgeous Muffy, our most popular model ever. So here she is in a return to the video galleries this week, nude and smoking in several different older shoots we've never shown before.
