

New Smoking Fetish Movies added at [Smoking Flicks](#)

We've added new videos at [Smoking Flicks](#) – the smoking fetish movie streaming and download site. They're the next in the series of IRL 2.0 full-length videos – compilations of the exclusive clips shot by the “new” IRL. These videos feature great smokers like Shawna with her hugs ball snaps, and 18-year old Cara, smoking and telling smoking stories with her big sister Courtney.

Come check them out at [Smoking Flicks](#)
