New Smoke Signals Network site....

We're very pleased to let you know that we've launched a new smoking fetish site. It's not big, but it's comprehensive.

[Smoke Signals Updates](#) automatically updates whenever new material is posted on any of our network sites. There are constantly-updated preview photos and video clips for each of the sites:

Smoke Signals Online

Smoking Flicks

Smoking Clip Store

Smoking Fetish Tube

IRL Archive

IRL Exposed

Smoking Fetish Video

So please check out the new site and bookmark it – its your new one-stop destination for free smoking fetish previews.

(Of course, we'll still continue to let you know about updates on this blog, in our weekly emails, and via Facebook and Twitter.)
