

6/9: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, we've added 1299 new photos and 16 minutes of smoking video.

In the photo galleries, petite accomplished smoker Sara P. is back in four terrific shoots this week in the photo galleries. The first is artistic, with the light and closeups accentuating the smoke and her face beautifully; two are casual-glamour with Sara in fishnets and a blue blazer; and one more shows her chaining as she plays with her smoke in front of the dressing room mirror. There is every manner of sensational smoking throughout the shoots, from snaps and frenches to double drags and hands-free smoking.

There's also a trio shoot with Sara P., Maddie and Elo; Sara is in the nightclub in a hot outfit and short skirt, smoking with deep drags and snaps, thick mouth and nose exhales; Elo comes up to chat and steals a few drags. Maddie then arrives, smokes at the cigarette machine and then joins Sara and Elo and the three continue to talk as they smoke with great style.

In the video gallery, sultry brunette Angelina smokes all-whites one after another, as she gets right down to business on a smoking blow job, with deep drags and beautiful, thick mouth, nose and mouth/nose exhales – often blowing her smoke onto her man's cock.
