6/25: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, we've added more than 600 new photos and 16 minutes of smoking video.

We got so much response last week to Georgia's photo shoots, that we decided to add more this week, this time in hi-def. Highlights include huge inhales, double drags, mouth, nose and mouth/nose exhales, snaps, frenches and wafts, and some beautiful shots in natural light. We also have a new shoot with Aymie, who has put her hair up and put a skimpy "maid" outfit on – and she's enjoying a cigarette with deep drags and slow mouth and nose exhales, plus some smoke rings.

In the video gallery, Angelina continues her great smoking oral sex, bringing her man to a messy facial and breast finish as she smokes with great style.
