

7/1: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added nearly 1000 new photos and 25 minutes of smoking video.

In the photo galleries, we have four shoots with blonde Nancy C., two glamour and two casual; in one she plays with her smoke in the mirror, in another she adopts a flapper look. Throughout, there are slow cone exhales and lots of smoke rings, some blown right-at-you. And in the R/X galleries, sexy Cipriana smokes with deep drags and thick cone exhales as she masturbates.

In the video gallery, Georgia's back, this time in a number of shoots (some in hi-def) that include glamour shoots with lots of closeups, and casual shoots on the pool table. Of course, the locations are secondary to Georgia's smoking: her huge drags, long holds, enormous exhales and incredible style. There's also some great work catching the gorgeous smoking in natural light.
