

7/15: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added nearly 400 new photos and 19 minutes of smoking video.

Erin P. returns to the photo galleries with a very different look (we didn't even recognize her at first!) and puts on makeup as she smokes in front of the mirror; there are dangles, french inhales, mouth exhales, and beautiful nose stream exhales. Adorable and gorgeous, Mel C. for a solo shoot, smoking while "playing dress up" as she smokes with cone exhales and lots of thick smoke rings.

In the video gallery, Cipriana is back in the R/X video galleries this week – to finish what she started earlier this month: strong smoky masturbation to a satisfying finish.
