8/1: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added nearly 800 new photos and 21 minutes of smoking video.

In the photo galleries, attractive Asian model Mel L. debuts in lingerie, smoking beautifully (albeit a bit nervously during her first shoot) with strong straightforward style. She settles down during the second shoot, in faux fur, as she does her nails smoking a 120. And in the R/X galleries, sexy blonde Valentina

smokes with great mouth and mouth/nose exhales – before, during and after oral and hardcore sex.

In the video gallery, Erin P. returns with a very different look and puts on makeup as she smokes in front of the mirror; there are dangles, french inhales, mouth exhales, and beautiful nose stream exhales. And Mel C.

is adorable and gorgeous, smoking while “playing dress up” with cone exhales and lots of thick smoke rings.
