8/16: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added nearly 1000 new photos and 27 minutes of smoking video.

The photo galleries feature mostly casual shoots with Tiffany B. as she talks, models and reads; throughout she shows her fantastic snap or open-mouth inhales, nice cone or mouth/nose exhales, and lots and lots of perfect, huge smoke rings. We also have Laura-Jayne in a short but sexy solo shoot.

In the video galleries, Erin P. smokes solo (with incredible nose streams) as she talks with Kylie offscreen;

Kylie then moves into camera range as they share a second cigarette - with lots of luscious smoke exchanges. Then, in sexy lingerie, Erin "coaches up" Kylie to try to get her best performance - and we see french inhales, rings and nose exhales from her, as well as nose exhales and frenches from Erin.

Erin also smokes with Maddie, playing cards and then relaxing afterward; Maddie's smoking is, as always, extraordinary.
