

10/8: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 581 new photos and 22 minutes of smoking fetish video, shot in high-def.

In the photo galleries in a couple of sexy outfits (including leopard print with stockings), Lauren K. smokes with strong straightforward style this week, and we have great smoking in lingerie, by Gabi as she hangs out in the dressing room; the mouth and nose exhales are top-notch, as is the attitude.

In the video galleries, Kelly C. smokes slowly and deliberately, with deep inhales, terrific snap inhales (including sweeper snaps), smoke rings – and wonderful eye contact with you. Kylie is smoking the way she likes to smoke when she's not modelling: rolling her own cigarettes. In two scenes, she smokes rolled cigarettes with beautiful cone exhales.
