

10/1: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 409 new photos and 22 minutes of smoking fetish video, shot in high-def.

In the photo galleries, sexy Mel L. contributes a nice shoot, with beautiful cone exhales throughout, and Sam C. has her solo debut with elegant style, showing us cheek-hollowing drags, nice cone exhales and lots of double pumps.

In the video galleries, in a shoot that's mostly gorgeous closeups, Gabi puts on a stellar performance with french and snap inhales, double drags and nose exhales, smoke rings and lots more. Then blonde babes Lynette and Leah X. are in lingerie, and then in panties and tops – there's nice smoking as they chat, with mouth, mouth/nose and talking exhales, french inhales and smoke rings.
