

New smoking fetish videos added at [Smoking Flicks](#)

We've added two new smoking fetish movies at [Smoking Flicks](#) – the smoking movie streaming and video download site.

NEW RELEASE – NEW MATERIAL! The first IRL Platinum release, shot in HD, takes IRL 2.0 to a new level with up-close and personal smoking and interviews. Beautiful and cultured Carmen loves to chain-smoke; she opens this video with two scenes, chaining all-white 100s in each of the scenes. Her inhales are deep, her cone and mouth/nose exhales are lovely. Alisha is next up; she does a lengthy smoking interview with Carmen asking the questions (and apparently influencing Alisha to chain!). Alisha has strong straightforward style, and also shows us nice french inhales and snaps during her long scene. Sexy Adarra finishes the video with a very hot scene, also chaining two all-whites with slow and seductive snap inhales, mouth and nose exhales.

And we have a **NEW RELEASE** from Bob's Videos: "The Rookie And The Pro" **NEW RELEASE!** Sophia Jade is so willing it's difficult to think of her as a rookie, and it's hard to believe she isn't a real life smoker – but it obviously comes naturally. Real inhales and exhales (many of them real nose exhales) – and she looks so gorgeous and sexy in very little lingerie that any experience that we notice, barely seems to matter. Veronica Avluv, on the other hand, is the pro. She has to be one of the most orgasmic, outspokenly sexual women on the planet. She is also an experienced, dedicated smoker who loves her American Spirits. You'll hear her thoughts on sex, smoking, the adult business and life in general, as she talks sincerely and colorfully, all the while playing with her pussy and drawing squirt after squirt from deep within.
