

9/22: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 867 new photos and 14 minutes of smoking fetish video, all shot in high-def.

In the photo galleries, blonde babes Lynette and Leah X. are in lingerie, and then in panties and tops – there's nice smoking as they chat, with mouth, mouth/nose and talking exhales, french inhales and smoke rings. In a set that's mostly gorgeous closeups, Gabi puts on a stellar performance with french and snap inhales, double drags and nose exhales, smoke rings and lots more.

In the video galleries, Aimie, in bra and panties, wakes up and lights up; she enjoys a cigarette as she lightly touches herself – then decides to take the enjoyment a few steps further. She lights a second cigarette (and eventually chains into a third) as she takes off her bra and panties for some morning masturbation as she smokes.
