

10/22: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 924 new photos and 20 minutes of smoking fetish video, shot in high-def.

In the photo galleries, Shirin shows some of the best sexy, accomplished smoking we've featured in a while, in three shoots in the photo galleries; there are multiple drags galore including a terrific hands-free sequence, perfect snap and french inhales, perfect mouth exhales, and lots of smoke rings and deliberately recycled french inhales. And Sue T. debuts with a nice shoot, showing beautiful cone exhales - many of them right at you.

In the video galleries, Gitta continues her smoky blow job to a messy facial conclusion; throughout, she takes deep inhales and shows beautiful mouth/nose exhales onto her man's organ - and after the finish, she lights up one more time to enjoy what's left of the cum and the smoke.
