9/16: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 716 new photos and 23 minutes of smoking fetish video.

In the photo galleries, Tiffany B. talks with Laura-Jayne off-screen, and then reads in a solo shoot; her smoking is, as always, very strong – with terrific snaps and open mouth inhales, plus great mouth exhales and smoke rings. And Aimie enjoys an all-white, with nice inhales and cone exhales, as she smokes in blue bra and panties; the bra is loose and reveals some of Aimie's top but she doesn't seem to care.

In the video galleries, we feature Brigitte in a great shoot with some terrific closeups, smoking a 120 with fabulous snaps and frenches, mouth/nose and nose exhales, double drags and smoke rings; and attractive Aussie Katya, who looks like the all-American girl in this shoot, showing nice cones, some mouth/nose exhales and pretty nose residuals.
