11/1: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 767 new photos and 23 minutes of smoking fetish video, shot in high-def.

In the photo galleries, we have lovely Whitney A. with a sexy masturbation session as she smokes non-stop; she does her beautiful french inhales even as she's energetically working her pussy. We also have sophisticated and elegant Bianca W.'s slow mouth and mouth/nose exhales – a beautiful thing to watch.

In the video galleries, Shirin shows some of the best sexy, accomplished smoking we've featured in a while, in three shoots; there are multiple drags galore including a terrific hands-free sequence, perfect snap and french inhales, perfect mouth exhales, and lots of smoke rings and deliberately recycled french inhales.

We also have the debut of Sue T. with a nice shoot showing beautiful cone exhales – many of them right at you.
