

11/8: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 792 new photos and 17 minutes of smoking fetish video, shot in high-def.

In an artistic photo shoot, Kim B. applies makeup; then we see her in sexy sailor suit shoots, one right-at-you. Throughout, we see her picture-perfect mouth/nose exhales, as well as natural french/snap inhales after her deep inhales. And in the high-res galleries, newcomer Pascaline in a glamour shoot with deep inhales and thick mouth exhales, and a great smile.

In the video galleries, Whitney A. wakes up and immediately lights a 120 while still in bed; as she enjoys the smoke, though, she starts enjoying her body as well, touching and playing with her boobs. Whitney's having so much fun she keeps on smoking and playing, eventually working her pussy to a full climax as she smokes — she even does picture-perfect french inhales in the middle of frantic masturbation.
