

12/1: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 345 new photos and 21 minutes of smoking fetish video, shot in high-def.

In the photo galleries, we have a duo with Kylie and Lauren K; adorable Kylie rolls her own cigarettes while Lauren smokes "regular" cigarettes; in one scene, Kylie even shows Lauren how to do it. Both show us terrific cone exhales, and Lauren adds nice smoke rings. And in the R/X galleries, Juanita previews her upcoming smoking hardcore shoot, with smoking during oral sex and then hardcore in several different positions.

In the video galleries, we have four models, including Bianca W.'s sophisticated and elegant smoking style is on display with slow mouth and mouth/nose exhales, and Tina A.'s glamour shoot, with some great closeups of her strong smoking.
