1/1: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 433 new photos and 21 minutes of smoking fetish video.

In the photo galleries, Mel L. is elegant and playful, then sexy in lingerie – two shoots with nice mouth exhales, right-at-you exhales and recycled french inhales. And in the high-res galleries, Rachel C. smokes VS 120s, relaxing on the couch, with straightforward and strong style.

In the video galleries, we have a driving shoot (not all the exhales are perfectly visible, but the smoking is great), and then a short clip and most of a full scene with Shirin smoking with all of her accomplished glory. We also have Natalie P. with big blonde hair and a glam look – and some beautiful smoking: thick natural snap/french inhales, then thick mouth, nose or mouth/nose exhales, and a great attitude.
