3/8: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 497 new photos and 22 minutes of smoking fetish video.

In the photo galleries, beautiful Burnetta shows cone and nose exhales in a casual/glamour shoot, and blonde Kellie shows off her cheek-hollowing inhales and her power cone exhales, along with snap inhales and smoke rings.

In the video gallery, Barbie is in a hot see-through-mesh top, smoking as she plays with her boobs and then her pussy; her mouth/nose exhales are terrific and her french inhales are strong, and she smokes a multiple for more "oomph" as she finishes her pussy play.
