

11/15: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 673 new photos and 10 minutes of smoking video.

In the photo galleries, we have six scenes with Debby, mostly in lingerie but also in thigh high boots, smoking corks and 120s as she shows lots of dangles, mouth and nose exhales – as well as scenes with smoking and gum-chewing, and smoking and dancing. And Mel L. is in bra and panties and then in lingerie, showing her mouth exhales, recycled french inhales and some right-at-you exhales in thoughtful shoots.

In the video galleries, McKenzie is in bra and panties and then topless with her fingers in her see-through panties at times; she smokes Marlboro Lights 100s with a very sexy style, playing with the viewer as she takes deep drags and shows huge mouth exhales throughout.
