1/15: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 432 new photos and 18 minutes of smoking video.

In the photo galleries, seductive Zora shines in two scenes with a little makeup application, a little vamping, and a lot of great smoking: mouth, mouth/nose and nose exhales, hands-free smoking and terrific nose residual exhales. In the R/X galleries, Krystal relaxes, poses and then works her pussy as she smokes Newport 100s with her natural french inhales and thick exhales.

In the video galleries, Jen C. and Tina T. hang out and surf their phone as they smoke; there are great french inhales, rings, cones, snaps, nose exhales, right-at-you exhales and recycled frenches. Then Jen

is in a tight black dress as she shows off her always amazing style: perfect french inhales, quick snaps,

beautiful smoke rings, right-at-you and nose exhales.
