1/22: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 578 new photos and 18 minutes of smoking video.

In the photo galleries, Leah L. and Haley L. get comfortable, relax and smoke with open-mouth inhales, snaps and cone exhales; Leah also teases Haley about how Leah's bad influence, and teaches her how to blow smoke rings. And Rachel A. smokes a cork and shows a nice technique, with mouth and nose exhales, open-mouth and french inhales, and smoke rings.

In the video galleries, Krystal is on the couch, smoking Newport 100s. She touches herself through her bra and panties and then strips them off for a full and satisfying smoky masturbation session, showing her luscious french inhales, mouth and nose exhales throughout.
